

Family Faith Formation:

What's Cooking?

An Easy Idea for Marriage and Family Enrichment in Your Parish!

Dear Pastor, Family Life Director, Adult Faith Formation Leader, DRE:

You know an enthusiastic couple in your parish who wants enriching activities and meaningful, faith-building experiences for their family. You want that, too!

You are looking for a way to help them get what they need, without overburdening your schedule.

The Christian Family Movement has a tool you can give to a lay leader to start family enrichment for themselves! CFM materials are Catholic and are inclusive of inter-church families. Welcoming to couples and single parents, too.

CFM, a network of small groups of Catholics and their families, that focuses on topics of importance to their marriages, families, church and community. Adults plan ways to include their children in the actions they plan at their meetings.

The U.S. Catholic Bishops recommend CFM in *Follow the Way of Love* and their planning materials for their National Pastoral Initiative on Marriage.

CFM is a member of the National Association of Catholic Family Life Ministers, NACFLM.
