

Marriage Enrichment – Made Simple!

Dear Pastor, Family Life Director, Adult Faith Formation Leader, DRE:

You know an enthusiastic couple in your parish who wants enriching activities and meaningful, faith-building experiences for their marriage. You want that, too!

You are looking for a way to help them get what they need, without overburdening your parish schedule.

The Christian Family Movement has a tool you can give to a lay leader to start marriage enrichment **for themselves!** CFM materials are Catholic and are inclusive of inter-church couples.

CFM, a parish and neighborhood network of small groups of Catholics and their families, that focuses on topics of importance to their marriages, families, church and community.

The U.S. Catholic Bishops recommend CFM in *Follow the Way of Love, Called* and in their planning materials for their National Pastoral Initiative on Marriage.

CFM is a member of the National Association of Catholic Family Life Ministers, NACFLM.
